Viewlite universal tablet holder - option 053

When mounted onto a Viewlite monitor arm, the tablet holder not only holds almost any tablet snugly and securely in place. It also lets you raise your tablet to eye level so it aligns seamlessly with your main display monitor. Due to its quick release mounting head you can switch easily between your tablet holder and other Viewlite options.

- Very fast installation
- Designed to keep all ports and buttons fully accessible
- Exclusively compatible with the Viewlite quick-release VESA system
- Grey corner grippers made of soft synthetic material
- Tablet is easily inserted or removed
- Tablet can be locked in place, preventing its removal
- Smallest possible tablet dimensions (h x w x d): 225 x 155 x 0 mm (8,9 x 6,1 x 0,0")
- Largest possible tablet dimensions (h x w x d): 265 x 190 x 15 mm (10,4 x 7,5 x 0,6")
